

Accomplishments > Specialization Certificate

IBM Data Analyst

Oct 30, 2024

Salah Hassan

has successfully completed the online, non-credit Professional Certificate

IBM Data Analyst

This IBM Professional Certificate is earned after successfully completing 11 courses on various topics in Data Analytics. The learner understands the core principles of data analysis and has worked hands-on with a variety of data sources, project scenarios, and data analysis tools, including Excel, SQL, Relational Databases, Python, Jupyter Notebooks, and Cognos Analytics, gaining practical experience with data manipulation, data analysis, and data visualization. The earner of this Certificate has demonstrated proficiency in applying different analytical techniques by analyzing real-world datasets, creating visualizations & interactive dashboards, and presenting reports to share findings of data analysis, and is now equipped with skills for an entry-level role in data analytics.

Rav Ahuja, Program
Director, IBM Skills
Network

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a university grade, course credit or degree, and it does not verify the identity of the learner.

IBM Data Analyst

IBM

4.7 (20,195 ratings) | 310K Students Enrolled

WHAT YOU WILL LEARN

- ✓ Master the most up-to-date practical skills and tools that data analysts use in their daily roles
- ✓ Learn how to visualize data and present findings using various charts in Excel spreadsheets and BI tools like IBM Cognos Analytics & Tableau

- ✓ Gain technical experience through hands on labs and projects and build a portfolio to showcase your work

Completed by Salah Hassan

October 30, 2024

Approximately 4 months at 10 hours a week to complete

Salah Hassan's account is verified. Coursera certifies their successful completion of IBM [IBM Data Analyst Specialization](#).

Course Certificates Completed

IBM Data Analyst Capstone Project
 Databases and SQL for Data Science with Python
 Excel Basics for Data Analysis
 Data Visualization and Dashboards with Excel and Cognos
 Introduction to Data Analytics
 Data Visualization with Python
 Data Analyst Career Guide and Interview Preparation
 Python Project for Data Science
 Generative AI: Enhance your Data Analytics Career
 Data Analysis with Python
 Python for Data Science, AI & Development

Course Certificates

Earned after completing each course in the Specialization

IBM Data Analyst Capstone Project

IBM

Taught by: Rav Ahuja & Ramesh Sannareddy

Completed by: Salah Hassan by October 30, 2024

Grade Achieved: 80.30%

[View this certificate >](#)

Databases and SQL for Data Science with Python

IBM

Taught by: Rav Ahuja & Hima Vasudevan

Completed by: Salah Hassan by October 30, 2024

6 weeks of study, 2-4 hours/week.

Grade Achieved: 86.50%

[View this certificate >](#)

Excel Basics for Data Analysis

IBM

Taught by: Sandip Saha Joy & Steve Ryan

Completed by: Salah Hassan by October 30, 2024

Grade Achieved: 100%

[View this certificate >](#)

Data Visualization and Dashboards with Excel and Cognos

IBM

Taught by: Sandip Saha Joy, Kevin McFaul & Steve Ryan

[View this certificate >](#)

Introduction to Data Analytics

IBM

Taught by: Rav Ahuja

Completed by: Salah Hassan by October 30, 2024

Grade Achieved: 88%

[View this certificate >](#)

Data Visualization with Python

IBM

Taught by: Saishruthi Swaminathan & Dr. Pooja

Completed by: Salah Hassan by October 30, 2024

3 weeks of study, 4-5 hours/week

Grade Achieved: 89%

[View this certificate >](#)

Data Analyst Career Guide and Interview Preparation

IBM

Taught by: IBM Skills Network Team

Completed by: Salah Hassan by October 30, 2024

3 weeks of study, 1-2 hours/week

Grade Achieved: 77.52%

[View this certificate >](#)

IBM

Taught by: Azim Hirjani & Joseph Santarcangelo

Completed by: Salah Hassan by October 30, 2024

Grade Achieved: 93.33%
